The new **Davis Estate** winery has a combination of LED monopoints for the barrel room and recessed LED downlights in the tasting room/kitchen.

The **Restaurant at Meadowood Resort + Spa** - a Michelin 3 Star dining experience - was recently redesigned using No. 8 Lighting with a combination of LED recessed downlights and monopoints illuminating the dining room's wood paneled walls and tabletops.

Hilltop House at **Meadowood Resort + Spa** used LED recessed downlights and monopoints for guestroom and entertaining areas.
